

ORDER PLACEMENT GUIDE

Step 1: Find the Desired Product

Visit the website <https://theentwine.com/>.

Once you have identified the product you want to buy: search for the product through the search bar, the results will appear below. (Image)

If you don't know the product you want to buy, select the "**Galleries**" category to search. (Image)

Step 2: After Finding the Product

Select the product you want to buy and click "**Claim your**" the website will link to Shopee. (Image)

Step 3: On the Shopee page

Choose the size and quantity, press "**Add to Cart**" repeat the process to add enough quantity of the product you want to buy. (Image)

Check the shopping cart to review the quantity, models you need to buy, and update according to your preferences. (Image)

If there are any special requests for the order, write the information in the "**Note**" section.

Select "**Buy Now**" to proceed to payment.

Step 4: Payment for the Order

Review and adjust (if necessary) the **Shipping Address, Shipping Method, Payment Method**, use **Voucher** and **Shopee Coins** (if available).

Select "**Place Order**" to proceed with payment.

Choose "**Payment**" and complete the verification steps depending on the payment method to complete the order.
